Things to keep in mind

The Internal Revenue Service (IRS) sets the monthly pretax parking and transit limits. View the current limits on the PayFlex member website.

Unused funds roll over to the next month.

If you spend more than the monthly limit, that additional amount must be paid out of your pocket (on an after-tax basis). You'll have to enter your payment method online.

PayFlex will replace up to one non-delivered pass per plan year. We are not responsible for:

- Expired or lost passes
- Passes that you receive late because of delays with local transportation authorities
- Passes that you do not receive due to an invalid or incorrect address

The voucher checks are only valid for one year.
