

Say hello to Optum Rx

Optum Rx® pharmacy services help make it easier to save on medications and keep track of them, too – whether you're online or on the go.

Manage your meds

When you go to myuhc.com > **Pharmacies & Prescriptions** you can:

- Find and compare medication costs
- Locate a network pharmacy
- See if your medications have any requirements before filling them

How to use the pharmacy network to fill prescriptions

Choose home delivery

Imagine getting a 3-month supply of the medication you take regularly, brought to you with free standard shipping. That's what you can get if you choose Optum Home Delivery.* And there's always a pharmacist ready to help, too.

*Not all prescriptions are eligible for home delivery. You are not required to use home delivery for your prescriptions. There are other pharmacies in your network.

Pick up at the pharmacy

Show your ID card at any network pharmacy – which can be found by checking the Pharmacy Locator at myuhc.com, on the UnitedHealthcare app or by calling the member phone number on your ID card.

Keep costs in check

Your Prescription Drug List (PDL) – available on myuhc.com – lists the most commonly prescribed medications covered by your plan. Choosing medications in the lower tiers may help you save money. And consider generic medications instead of brand names, which may keep costs down.
